

Dear brothers of the work of the Lord's Recovery in all the earth

Due to the recent events that has taken place in Lima, and because of the activities and decisions that Bother Dong Yu Lan, we would like to affirm the following:

1. That we are and we will continue to be the church in Lima:
 - a. That we are in the ground of the church in Lima, and today we continue to be the church in Lima. We believe that there is one church in one city. (Hch. 14:23; Tit. 1:5; Ap. 1:11). This is the ground of oneness according to the teaching of the apostles in the NT. According to the truth revealed in the Bible, the ground of the church is not of any worker, practice, or biblical teaching, but the ground is constituted of the oneness of the Body, the unique ground of locality, and the reality of the Spirit. Any other ground is divisive and offends the Lord.
 - b. Therefore, we receive al the believers of Christ, those who have been redeemed by the blood of Christ and have been regenerated of the Spirit in order to keep the oneness of the Body of Christ (Efe. 4; Ro. 14). We believe that the church in Lima is the local expression of the universal Body of Christ.
2. That, any meeting outside the fellowship of the church in Lima, is a division against the Body of Christ and an offense against Christ the Head.
3. That, the church in Lima by taken the decision not to use certain materials that used before, has not operated in rebellion or division, but that simply has acted according to her obligation before the Lord, for the benefit of the saints. As the local church we have the right and the responsibility to make decisions regarding the churches administration in our locality. Although we are open to the fellowship and blending of all the churches, we ask the coworkers to respect the local administration of each church.
4. As the church in Lima, we also express our desire to be in the universal blending of the churches in the Lord's recovery. We would like to be in the fellowship of the Body of Christ. We do not want to be an isolated church; we do not want to be a "regional" church or "continental" church, but a church that is immersed in the unique fellowship of the universal Body of Christ our Lord.

Therefore, we would beg you -(ask you intensely)- not to forget us in your prayers and visits to strengthen us and support us in the unique work of the Lord in Lima.
