

LETTER SENT BY BROTHER DONG YU LAN

Sao Paulo, December 13, 2004

Dear brother Jorge Navas:

Following is a communication from Brother Dong to the churches and to the saints in Ecuador. It is signed by Pedro Dong, Salomón Ma and Helcio Almeida in the name of the coworkers of the work in South America.

1.- Brother Dong was designated specifically by Brother Witness Lee to care for the churches in South America; he has endeavored to carry out this commission faithfully, leading the churches in the line of the spirit and life.

2.- Some Brothers from Ambato —Rodrigo López, Fernando Mendieta and Waldemar Quintero— with influence from abroad disregard all that the spirit has accomplished in these years and propagate death saying that they have the freedom to receive other ministries, thus rejecting and disregarding God’s delegated authority, the one who has cared for the region as a Father.

3.- Brother Dong annuls the action that these brothers made in name of the church in Ambato. They personally have the freedom to do what they think is right, but not in the name of the church. The Brothers who are clear and pure regarding this matter should remain firm on the ground of the church and in the leading of the Spirit, continuing in oneness with the rest of the country’s churches.

In name of Brother Dong and the coworkers of the work in South America:

Pedro Dong, Salomón Ma, Helcio Almeida
